Title of Article:

This form must be signed by each author or by an authorized agent. If work was commissioned by another person or organization or produced as part of duties as an employee, an authorized representative of the commissioning person, organization, or employer must sign this form. Authors whose work was produced as part of their official duties of employment by the US government must sign the second statement below.

The undersigned author(s) warrant that they are the sole author(s) of the aforementioned work, and that they alone possess, or they alone could possess, all copyrights to said materials. Undersigned also warrants that the manuscript (or its essential substance) has not been published other than as an abstract or doctorate thesis and has not been submitted for consideration elsewhere, for print, electronic or digital publication. All copyright and proprietary rights to the aforementioned work, under both the Copyright Act and all national, State, and transnational and international common and civil law jurisdictions, are hereby transferred by the undersigned to *The Association for Research in Vision and Ophthalmology, Inc.* ("ARVO") for all media in the event the work is published. **The corresponding author is permitted to submit the final accepted file provided them by ARVO to government depositories. ARVO requests that authors delay the public release of their articles until 12 months after the official publication date.** The Undersigned shall defend, indemnify, and hold harmless ARVO, its directors, officers, affiliates, employees, and successors from and against all damages, costs, or expenses, including reasonable attorney's fees and costs of settlement, incurred by ARVO due to the content of the undersigned's work. **ARVO disclaims any responsibility or liability for errors or omissions in any version of the article derived from it by the National Institutes of Health or other parties.**
